SUBJECT: Study of Harassments and Provocations

REFERENCE: Memo for Members, DCI Security Committee,
from C/SECOM, dated 5 May 1982, Subject:
Study of Harassments and Provocations

The draft study represents a big improvement over the July 1978 iteration in its practical approach to personal conduct overseas. It should be of great benefit to contractor security officers and enhance their employee security awareness programs. The industrial security elements of this Agency are looking forward to its publication.
